In supersession of the rules issued under Government Notification No. 15229—R. F. 155-92, dated 15th March 1895, the following revised rules for the sale of timber by public auction are approved by the Government of His Highness the Maharaja of Mysore and published for general information:—

I. Procedure.

1. Every auction sale shall be held by the Forest Officer in charge of the District or other Forest Officer not below the rank of Sub-Assistant Conservator deputed by the Deputy Commissioner.

2. Subject to the minima prices which may be fixed from time to time by the Conservator of Forests, but which will not be divulged, the highest bidder shall ordinarily be the purchaser. But the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers. Should any lot be disputed, it shall be again put up and sold.

3. Each purchaser shall, immediately after a lot has been knocked down to him, pay as earnest money a sum of rupees five and sign his name opposite the number and specification of the lot bought by him, in a book provided for the purpose. Such payment and signature shall be held as admission on his part of having bought such lot and of having accepted the terms of sale as herein specified.

II. Payments how to be made.

4. Immediately after the sale, each purchaser will be furnished with a memo showing the total amount due by him and with a chalan to pay immediately twenty-five per cent of such amount as a deposit into the Taluk Treasury at the place, or if there is no such Treasury, to pay the same into the nearest Taluk Treasury before the close of the 3rd or 5th day from the date of the sale as circumstances may require, regard being paid to the distance of the Taluk Treasury. A receipt for the deposit money will be granted by the Treasury Officer and must be presented to the Forest Officer at once if the Treasury is at the place of sale and if otherwise before the close of the fifth or eighth day from date of sale as fixed. The Forest Officer will initial the receipt and enter on its face the date of presentation. Should any purchaser fail to comply with this rule, the Forest Officer shall be at liberty to resell all or any portion of the timber purchased by such defaulter, who shall be required to make good any loss, but shall not participate in any profit on such resale. The amount due by such defaulter shall be recovered from him as a revenue demand.

5. The whole quantity purchased by each purchaser must be paid for within thirty days from the date of sale or within such further period not exceeding 90 days from the date of sale under the special orders of the Conservator of Forests; failing which, the earnest and deposit moneys already paid in shall be forfeited to Government and the timber not paid for shall be resold. Moneys due may be paid into the Treasury of the taluk in which the depot is situated or into the District Treasury, but into no other, except in cases where the purchasers are permitted to pay into any other Government Treasury in accordance with the chalans issued to them.

III. Delivery of timber.

6. No timber shall be delivered to any purchaser until it has been paid for in full.

IV. Permit for removal.

7. No timber can be removed from the depot till a permit to remove timber signed by the Forest Officer in charge of the depot shall have been obtained.

V. Depot rent.

8. Timber paid for, may be removed at any time within thirty days from the date of sale, without payment of depot rent; but if left in the depot longer than thirty days from date of sale, such timber will remain at the risk of the purchaser and further shall be charged with depot rent at Rs. 6-4-0 per cent per annum on the sale amount from date of sale. If the timber be not removed within thirty days from date of sale, the same may after ten days' notice to the purchaser, be sold by public auction for the recovery of rent and costs, after due publicity of the sale, subject to full payment at once and immediate removal, and the balance of sale proceeds, if any, shall be paid to the original purchaser. If before such sale is concluded, the original purchaser tenders the rent due and cost, he shall be allowed to remove his timber. The Conservator of Forests may remit any portion of rent not exceeding three months' rent in any case on sufficient grounds being shown.

NOTE.—For the convenience of purchasers the quarter deposit or the whole of the sale amount will be received and acknowledged by the officer conducting the sale, if tendered on the spot at the time of sale.
